Sacramento – Chairman Jerome E. Horton of the California State Board of Equalization is pleased to announce the newest expansion to BOE's electronic services – [eRelief Requests](#). With eRelief Requests, taxpayers can easily and conveniently submit electronic requests for:

- Relief from Penalty
- Relief from Interest
- Relief from Penalty and Interest Due to a Disaster
- Relief from Collection Cost Recovery Fee

“BOE is continually working to increase taxpayers’ access to online services that simplify their business operations,” said Chairman Jerome E. Horton of the Board of Equalization. “eRelief Requests is a great service that will enable taxpayers to conveniently apply for payment relief.”

Submitting eRelief Requests is convenient, fast, and secure. The request will be acknowledged immediately and, in many cases, processed right away. Taxpayers can instantly find out if the request was granted, denied, or needs further review – saving them time and money.

To get started, taxpayers will need their eClient ID and password or they can use their account number and Express Login code.

The BOE is expanding its online resources to better assist taxpayers, and help businesses succeed by offering helpful and easy-to-use [eServices](#) (electronic services). This eService expansion follows the launch of BOE's electronic registration service ([eReg](#)) and compliments other BOE eServices, such as [eFile](#) (filing tax returns online) and [ePay](#) (paying electronically).
